Please name all items of clothing and the equipment, for easy return if lost. Please send a change of clothes in your child’s bag for the first month. Then, please leave a spare set of underpants and shorts in the bag for the rest of the year. If you choose to provide the entire year’s supply upfront, they will be labelled and stored until required.

At the beginning of each term please check your child’s pencil case and replace missing items so there is still a complete set of 24 coloured pencils of good length and a complete set of crayons.

Young children go through an enormous amount of these items! Please check condition of folder and pencil case and replace if necessary.
