Please name all items of clothing and the equipment, for easy return if lost. Please send a change of clothes in your child's bag for the first month. Then, please leave a spare set of underpants and shorts in the bag for the rest of the year. If you choose to provide the entire year's supply upfront, they will be labelled and stored until required.

At the end of each term supplies will be checked by your child under our supervision. A note will be sent home if any extra equipment is required. Young children go through an enormous amount of these items!
